5. **Join us for Plugged In Sunday School via Zoom**

We are using Zoom to bring our kids together for a virtual Sunday School lesson. To make the numbers manageable, we are hosting two time slots. Siblings are welcome in each time slot! We will be using small groups for our 3-5 graders this week, so **we could use some breakout leaders to help guide the discussion!** Just jump into the zoom call to be a leader. Discussion topics will be provided in the call.
