As an initial step in the process, and before the wedding date can be confirmed, we ask that you meet with our wedding coordinator and complete our wedding registration form. You will receive a copy of the form and review the instructions in this booklet.

Please read through this entire booklet, and as you read remember that all of these procedures are designed with one thing in mind – to make your wedding a very meaningful time of worship. If you do not understand a procedure or the reason for it, please do not hesitate to ask us.

May God always bless you,

General Guidelines

The Church views your wedding as a sacred union, performed within the Church, between two who are blessed of God.

The wedding service is an act of worship and should be approached as such. The ceremony itself, the music, the readings, and all other aspects should fit within the sacred concept of the marriage ceremony.

As a first step, a couple who wants to be married at DUMC should confirm with the Church secretary that the Church is available on the date requested. Weddings may not be scheduled during Holy Week or on Christmas Eve or Day. Only in exceptional circumstances will weddings be scheduled on Independence Day, Labor Day, or Thanksgiving Day weekends, New Year’s Eve or Day, or on Sundays.

Your wedding is not scheduled until you have met with the Church’s wedding coordinator and completed the wedding registration form.

The Officiant

Members of DUMC may request that any of our ministers officiate or may request that another clergyperson officiate. The Senior Pastor must recognize the ordination of the minister who is requested. Our ministers may be reached at the Church.

Members who request a guest minister must provide the wedding coordinator with his/her name and address well in advance of the ceremony date. Our senior pastor will extend a formal invitation to the visiting minister who will be expected to abide by the wedding policies of the Church.

Non-member ceremonies will be conducted by one of the DUMC clergy.

Timeframes for the Rehearsal and Wedding Ceremony

The rehearsal will be conducted on the Friday evening preceding a Saturday ceremony. The rehearsal time is approximately one hour.

The Sanctuary/Chapel will open 2 hours prior to the ceremony time. The Church will be available for a total of 3 hours.

Please **do not** ask for exceptions to these timeframes.

Communion

If communion will be served, the United Methodist Discipline requires that it be offered to the entire congregation. The clergy person must be United Methodist.

Nursery

A nursery can be arranged for preschool age children. The fee will be based on the anticipated number of children and requires a two-hour minimum. Please make arrangements for a nursery at least one month in advance.

Handicapped Accessibility

Both the Sanctuary and Chapel are handicapped accessible through the front entrances.

Coordinating with Our Staff

Please ensure that you let the wedding coordinator know your plans in detail in advance of your wedding day to ensure they are consistent with our policies and to ensure that your wedding day runs smoothly.

Restrictions

There should be **absolutely no smoking or use of alcoholic beverages anywhere on Church premises, either at the rehearsal or the wedding**. If this rule is disregarded, your wedding may be cancelled.

No food or drink is allowed in the Sanctuary or the Chapel. For safety reasons, no rose petals, rice, birdseed or bubbles may be thrown or used inside or outside the building.

Wedding guests may **not** take photos during the wedding.

Your photographer may take photos as the wedding party recesses up the aisle from the back of the Sanctuary/Chapel. The wedding party may return to the Chancel area immediately after the ceremony for photos with the clergy and entire wedding party. Your photographer will need to observe the time limitation, completing all photos not more than one hour after the ceremony starting time.

Any area used for photographs must be restored to its original arrangement.

Videography Guidelines

Your videographer may use an unlighted, unmanned camera at the front of the Church in the chancel area. When recording from the balcony, the camera must be unlighted, but may be manned with minimal movement.

Balcony furniture must be left in place. Videographers must courteously share limited space with musicians and photographers.

Video cameras in the Chapel must be located in the back, stationary, and may be manned. To maintain the worship environment, no artificial lighting may be used.

Flowers and Decorations

In the Sanctuary, a container of fresh flowers may be placed on the altar or two arrangements of fresh flowers may be placed on the pedestals on either side of the altar, or on the floor in front of the pulpit and lectern.

In the Chapel, a small arrangement of fresh flowers may be placed directly on the altar table, but it may not be taller than the cross. Two arrangements of fresh flowers may also be placed on portable pillars for your ceremony.

Additional flowers or greenery may be used if desired, but it may not obscure furniture or religious symbols.

No flower petals, fresh or silk, may be thrown.

Two single candles on the altar will always remain in place.

Additional candles are allowed in the Chancel area, and the Church will provide two 7-candle candelabras for the Bride's use, if desired. A Unity

The Rehearsal

Rehearsals are scheduled on Friday evenings at either 5 or 6 o'clock.

It is helpful if all who are taking part in the rehearsal, including readers and those who are to be formally seated, are present to rehearse.

The Bride is expected to participate in the rehearsal to ensure that the wedding will go smoothly the next day.

Please ensure that your wedding party and all others participating in the rehearsal arrive on time. There may be another rehearsal following yours.

Photography and Videography

Photography Guidelines

Prior to the beginning of your ceremony, the photographer may take photos on the grounds, in the Brides Room and in other public areas of the building. He/she must complete any shots in the Sanctuary/Chapel *at least* 30 minutes prior to the ceremony starting time.

The wedding ceremony is an act of worship. Your photographer may take photos during your ceremony only from the balcony, without flash or additional lighting. Balcony furniture must be left in place. Photographers must courteously share limited space with musicians and videographers.

No other photos may be taken during the ceremony.

To avoid embarrassment, please inform your friends and family, there are to be absolutely no photos taken in the Sanctuary or the Chapel, using personal or camera phones, with or without flash. Our wedding staff will ask your guests to discontinue taking photos during your ceremony should they choose to ignore this policy.

Because there is no discreet area for photos in the Chapel, no photos may be taken during a Chapel wedding ceremony.

Music for Your Wedding

The DUMC organist will be expected to play for weddings held here. If the Church organist is not available, she must approve the use of another organist. Guest organists must confine their practice to the hours the Church is open.

Classical music and/or music of a sacred or religious nature should be used for the wedding service. Appropriate contemporary sacred music will be considered. There is a significant body of musical work from which to choose. The Church organist or the Senior Pastor will be happy to help you select your music and will ensure that the music selected is suitable.

Vocal or instrumental music can be included prior to and/or during the ceremony.

No recorded music is ever allowed.

The Bride is responsible for contacting the organist well in advance of the ceremony to ensure her availability and to schedule a discussion of the wedding music. The organist's fee of \$300 covers only the day of the ceremony.

If the music requested is not in the organist's library, the Bride will need to purchase it.

If any of the DUMC choirs are to participate in the ceremony, there will be an additional fee. Please contact the Minister of Music to discuss arrangements. Advance notice of not less than 30 days is required to ensure the choir's availability.

If you feel you need a sound technician, you must let the wedding coordinator know in advance, and there will be an additional fee.

The Officiating Minister

Any of the ministers on the DUMC staff may conduct your wedding ceremony. If you do not have another preference, our Senior Pastor will normally officiate.

If you request a guest minister you must provide the wedding coordinator with his/her name and address well in advance of the ceremony date. All visiting clergy must be approved by the Senior Pastor, and must abide by the wedding policies of the Church. Our Senior Pastor will extend a formal invitation to the visiting clergy.

You also have the option of having both a member of the DUMC staff plus a guest minister. In this situation, the two ministers will discuss their individual roles in the service. Normally the DUMC minister will be in charge of the ceremony.

Your ceremony will be one of two United Methodist services which the officiant will discuss with you. Please feel free to talk about the elements of the service, but the minister will make only minimal adjustments if he/she feels that the spirit of worship is enhanced. Final authority regarding the service rests entirely with the officiating minister.

Before the ceremony, a conference/counseling session (one or more) between the minister and the wedding couple is required. The conference will deal with the meaning of marriage, as well as with details of the ceremony. You should make an appointment with the minister officiating at your ceremony no less than six weeks prior to the date of the wedding. The minister's Administrative Assistant should be notified of any change or cancellation.

If a member of the DUMC staff is officiating at your ceremony, your marriage license should be brought to the Church office 3-4 days before the wedding; but in no case, later than the rehearsal.

The Wedding Committee

The Church provides one or more directors from the Wedding Committee to help and advise you. A sanctuary wedding includes two directors; a chapel wedding may require only one, depending on the size of the wedding party.

A member(s) of the committee will attend both your rehearsal and wedding to guide you and the wedding party in all the necessary arrangements and logistics. Your director(s) will conduct the rehearsal and, along with the minister, carries the full authority of the Church to make final decisions on all areas related to conducting the wedding.

The director will contact you by telephone approximately one week prior to the ceremony to discuss the details of the rehearsal and wedding day.

Should you employ a commercial wedding coordinator, she is welcome to accompany the Bride to assist her in dressing and other preparations; however, she should not take any part in the rehearsal or the wedding service. Our DUMC directors are in charge of all activities during both the rehearsal and the wedding.

Your Attendants

Care should be taken when selecting the number of attendants. An overcrowded Chancel area detracts from the beauty of the service.

Dressing areas are available for bridesmaids. Please use only the assigned rooms and discourage attendants from leaving valuable unattended, as the Church cannot be responsible for money or valuables.

We ask that the bridesmaids use the Ladies Room or the Brides Room to apply makeup.

Groomsmen should arrive at the Church already dressed in their wedding attire, but should carry their coats to prevent wrinkling. Please encourage groomsmen to try on their apparel prior to the wedding day to prevent fitting problems not easily resolved at the last moment.
