

LEADERS, LEADERS, LEADERS

September 1, 2020 - August 31, 2021

General Information

All committee, council and board meetings, with the exception of Staff-Parish Relations meetings, are open to all church members who are encouraged to attend, as non-voting participants, in as many meetings as possible. Meeting times and locations are normally listed on the church website calendar.

In order to take full advantage of experienced members yet infuse new ideas, several committees are structured in classes of 2 to 4 members that serve for 3 or 4 years, with one class rotating off and being replaced every year with new membership.

Committee Chair Responsibilities

Although general training will be offered by the church, committee chairs are responsible for training their committee on the procedures, processes, responsibilities and authorities of their specific committees. This can normally be accomplished in the first meeting. Chairs are to schedule meetings, provide the agenda, facilitate purposeful, creative discussion while maintaining control and direction.

Positions indicated by (*) are described in the Book of Discipline.

The Church Council*

Sets policies of the church and, through its sub-committees and the staff, oversees all ministries, missions, finances and activities of the church, with the Senior Pastor as the chief executive officer.
