## Dr. Joe Barnes

Dr. Joe Barnes is a retired OB-GYN Doctor. He practiced at Northside Hospital for 35 yrs. delivering 3000+ babies. He recently married his wife, Sandy Lee 1½ years ago. They both had lost spouses and met at a grief group 6 years ago. He has traveled extensively the last several years to places like, Egypt, Amsterdam, Turkey, Mediterranean cruises and more to come.

Dr. Joe Barnes is a gym rat when physically able. He also enjoys sculpting, painting, and learning to play bridge. Dr. Barnes is transferring from another denomination.

## Matt & Jamie Hill

Matt graduated from Georgia Tech and works in mergers & acquisitions for Drive Automotive Services. Jamie graduated from Emory and received her master's in nursing from UAB and now works as a nurse practitioner at Children's Medical Group.

They met in high school at Marist School, moved to Dunwoody in 2020, and are expecting their first child, a son, in early September. Welcome to the Hill family!

## Taylor & Paige Britton

Taylor and Paige moved to Dunwoody last Fall and welcomed their first son, Parker, in January earlier this year.

They love spending time outdoors, especially hiking in Cashiers, NC! Taylor enjoys cooking and has a passion for plants. He has turned their new basement into a greenhouse! Paige enjoys painting, playing tennis, and going for walks with their 90-lb sheep doodle, Walter. They are both huge UGA football fans and are excited for the upcoming season! Taylor works in Sales at OneTrust right down the street, and Paige works in Product Marketing at Sprout Social, a tech company focused on all things social media. They are looking forward to joining the DUMC community.
